

Here is a recipe for Apple Pudding for 4 people

125 g butter
125g sugar
250g flour
1 egg
65g raisins
2 dessertspoons brown sugar
30g peanuts
375g cooking apples
 $\frac{1}{4}$ teaspoon salt

Jane wants to make Apple Pudding for 10 people.
She has 1kg cooking apples
Has she enough apples for the recipe?
You must explain your answer
